“ You know you are absolutely right! This is not the place and I am sorry to you but not to his kids as I feel the same way about them. I have told them to their face, ask Johnny he will know.

“ I don't know who you think you are, but you are **NOBODY** to address me in such a matter. Clearly you lack the basic intellect to talk in a civilized and intelligent manner. So, to keep dumbed down for you- Shut up and find somewhere else to spew your venom. Rather than beating up on Dead people and their mourning loved ones. Asshole.

“ I'm sure you're perfect! I do know you're a perfect idiot to write on an obituary site, something you were too chicken to say in person to the man or his sons. What goes around comes around.

I appreciate what you said about my dad...i would like to know who you are

“ Since you seem to have a limited vocabulary, I will say that you are entitled to your feelings/opinion. But, to place these inappropriate comments on a site where family and friends grieve takes you a new all time lowness. Don't tell me "fuck you" honey because I don't know you and you don't know me. As his family member, I would strongly suggest watching how you talk about the dead and how you speak to the grieving family. You would NEVER SAY THAT TO MY FACE! TRUST AND BELIEVE THAT.

fightingforthehumanrace - October 12, 2016 at 12:00 AM

FI

“ You are entitled to your feeling and opinion, but do you feel that on his obituary that is an appropriate place to spew your nasty comments? I'm sure you did so while he was alive. It's poor taste, and hurts the family who loved him.

TR

“ Fuck you! Bud was a piece of shit!

Tony rose - October 12, 2016 at 12:00 AM

“ R.I.P. Uncle Bud. I'm sure you're with Aunt June now. For the assholes who take their time to write nasty things about you are pathetic, and clearly they're the real losers.

“ Who cares?! Who are you to speak ill of the dead. Karma will get you, you jerk!

“ *You were such a great man. I will never forget all of our trips to the west side market, pizza hut, the mall. Or waking up in the morning to you cooking breakfast which was more like breakfast, lunch and dinner in one. The memories. I could go on for days. Thank you for being in my life. It was a true blessing. Love ya bud!*
