“ I am obviously late in hearing about Collin's passing. Like others, I was helped by Collin as I tried to improve my health and fitness. He was my personal trainer when I lived in Charlotte near his family home. He was always kind and motivating for me. He blessed my life for the timeframe I knew him. Please know that prayers are going up for his wife, parents, brother, and everyone who knew and loved Collin.

“ My husband and I decided to start working out in 2019 and joined Fitness Together where we were assigned to Collin. We spent 3 days a week with him for our early morning workouts. He actually met my husband there at 6am - this was telling about what kind of worker he was... This continued for over a year. We bonded because we spent so much time together. I learned of his family back home, his girlfriend, later fiancée, and his little brother who was in law school. I could tell how he loved and missed his parents. He was reserved but a gentle smile and always quick to laughter. He was strong. He literally made us stronger. He became our friend. We could just tell he was a good man. We are so sad to hear of this news. Our hearts go out to his wife and family. He had a huge impact on our lives and his spirit will remain with us always. RIP.
