“ *Dale Crowley and Tricia Mundell-Crowley have been my second family forever and a day. Those rare people whose hearts are so big that they take in strays and all their kids' friends became family too. Thank you Becca Crowley Rice and Dale Allen Crowley for sharing your awesome parents with the rest of us. Dad had such an influence on so many of us and is going to be deeply missed.*

“ The world has lost a tremendous individual who knew not one stranger. His laugh was infectious, his compassion for our furry children was incomparable, and his heart bigger than anyone could ever know. Rest well dear friend. We love you and you will be dearly, dearly missed.
