June 18, 1964 - February 27, 2017

Dana L. Batsky, 52, of Euclid, passed suddenly in his home on the morning of February 27, 2017. He was born in Youngstown, Ohio on June 18, 1964 to Donald and Betty Jo Batsky.

Dana was a 1982 Cardinal Mooney graduate and attended Kent State University. Dana has held various managerial positions and for the past twenty years he worked as a General Manager at Maid Brite Cleaning Company in Cleveland. Dana had a contagious laugh and was well-liked by all who knew him. He was an avid collector of trash and treasures. His Fiesta dishware was one of his most prized possessions. Whether it was about decorating, cleaning, or soap operas, Dana would always offer his insight whether you liked it or not. No matter how blunt he could be, he had the biggest heart.

His nieces and nephews include Kaitlyn (Andrew) Funkhouser, Neill O'Donnell, Jacob and Kyle Batsky, and David Lee, McKaylee and Kazmir Batsky.

Dana is preceded in death by his mother, Betty Jo Batsky and Grandparents Harry and Doris Murphy & Raymond and Catherine Batsky.

Visitation will be held on Saturday, March 4th from 9:00 to 10:00 a.m. at St. Dominic Parish 77 E Lucius Ave, Youngstown, OH 44507.

A Memorial Mass will be held on Saturday, March 4, 2017 at 10 a.m. also at St. Dominic Parish. Burial will be in Lake Park Cemetery in Youngstown.

“ My condolences to Dana's family, friends, and co-workers. I had the pleasure of meeting Dana just once, in January, and was immediately drawn to his friendly, professional manner, his humor, his obvious consideration for those he worked for and with at Maid Brite. I can tell from the many tributes that he was every bit as good and interesting of a person as I believed him to be from just one meeting. My heart goes out to all who loved Dana. May your memories of him comfort you.

“ Dana was a loving soul and a fun fine friend. As the Manager of Maid Brite Services he knew how much I cared about our family silver and would come and polish it with me himself even took some to work to finish the job. He was a remarkable man with a loving soul. I will miss him greatly, Pat Fallon

“ This news makes me SO sad. I always thought talking to Dana was fun. We had things in common — like our love for old treasures, and “stuff” in general.

I know you will all be lost without him. He always seemed so conscientious about his job — and so helpful to all of us (your clients)— whatever we asked of him.

Please know that my sympathies are with you.

My best,

Susan Roberts

“ I met Dana through Anthony, I used to cut his hair for a few years. He was always so funny and made me laugh. I always looked forward to his appointments because i knew that if I was having a bad day, I would end up with a smile. I loved his sarcasm and how he would tell it like it is... we watched similar tv shows and it was fun to discuss them. I know he was loved by many..I guess they needed a bit more humor in heaven...

“ Dana was a pillar of strength for me for 20 years. His combination of hard work, humor, integrity, thrift, and organization, will never be forgotten or found again. He opened my business every morning, saw me through a painful divorce, babysat my daughter when I was swamped, cared for my dogs when I was away, bought and arranged flower pots for my backyard in the summers, helped me move twice, but most importantly made me laugh everyday!! I loved him and I will think of, and miss him forever!

“ I've known Dana for a decade. His presence was definitely known when he walked in a room. Within minutes you were sure to be laughing to the point sometimes in tears. He was very opinionated and had no problem scolding and never hesitated to encourage. "You go girl!" I can still hear those words, along with a few choice words lol. But I love that man and I will truly miss him. Sending you lots of love Dana-Dane

“ My deepest condolences to you all, and to Dana's family. I'm shocked and devastated by your tragic news. Over the years, whenever I spoke to or saw Dana, he brightened my day and made me see the good in the world. His sometimes acerbic wit always made me chuckle. I'll miss his organizational skills and will never forget his infectious laugh or his warm greetings.

“ Dana was a special person and friend. He was so funny, witty, sarcastic, clever, loyal and FUN!!! He would deny it but he really was a big teddy bear, one of a kind! His passing leaves a big hole in the universe and in my heart. I will cherish and miss him always. Oh Dana....I love you my friend.

“ Dana was my sister's best friend in high school, I was 2 years younger than them but tagged along nonetheless. Memories of us joining the bowling team and just goofing off feel like yesterday. He recently came back into our lives and was a comfort during the time of our Father's death. I just wish we had more time with him. The world will feel less fun without him. He will make the angels laugh now!!!!

“ Dana was one of my closest friends from the age of 20-25 years old, back in the 90's. He was a great friend and felt like a brother during those years. Dana was a master at collecting antiques and interior design with his surroundings. We lost touch over the years, but he will forever be an important part of my life and memories. Dana was very funny, cynical in an endearing way, and always there when I needed a friend to listen to. To his father and sister, who I have met, I am sorry for your loss. I love you my brother, may you rest in peace.....John Roman

“ Dana was a kind and gentle soul, but like this old stubborn dego, very opinionated. I looked forward to seeing him so we could banter over something meaningless. Prayers for his family, especially my true friend, Dana's dad Don.

“ To the Batsky family and beloved friends of Dana -

My heart is shattered and completely torn. I share in your utter pain and sorrow. As a best friend for 35 years, we shared and have been thru everything together. Dana wasn't a friend - what we had was a brotherhood. He is family to me. He always will be, and will always be in my heart and my mind forever.

I will forever miss and love you, Dana. There are no words to describe my emptiness and sense of loss.

All of heaven is now blessed with your presence, your humor, and of course Erasure, General Hospital, and thrift store shopping!!

Rest in peace my dearest friend....until the day we meet again.

“*Dear Family, Dana was the first of Don's children that I met when started dating Don. He was a person with whom I could converse with and seemed to have a lot of love for his dad and his siblings. He was the Best Housekeeper I ever met, he could put any lady to shame with his cleaning habits. He was also a terrific home decorator, one could learn a lot from him. Needless to say he will be greatly missed by all who knew and loved him. He was one of a kind, and I think God wanted a new housekeeper for their heavenly home. He is with his mother now and I am certain very happy. To his loving family, May our Loving God Bless you all and keep you all, may he make his face to shine upon you and grant you his peace. Amen.*

“ *Somehow, almost all of the great memories of my life feature Dana in some spectacular way. 47 years of laughing, crying, cursing, but mostly laughing. The void you leave is huge Danacakes, and the world just isn't that much fun without you. God, I love you so much. Hug my mom for me, and tell Betty Jo I miss her.*

“ *My deepest sympathy to the entire Batsky family. I am so grateful to have been included in many of the family dinners with the Batsky's, when my good friend Doris comes to town. I always looked forward to seeing Dana, as he would always make me feel like part of the family. He added humor to every gathering and his laughter would fill the room. Miss you already, Dana! Your friend, Andrea*
