“ Tina and Family,
Unfortunately I am unable to stop at the funeral home to give my condolences but please know that you are in my thoughts and prayers during this difficult time. While I did not know your son Daniel from what you have told me of your family I know he was a fine young man who will be greatly missed! May he rest in peace. Take comfort in knowing he is now with Our Lord up in Heaven!

“ My son, Danny Asenjo, went to school with Daniel. He says they ate lunch together and were in most of the same classes at Willowick Middle. My son said he was 'always smiling, a great athlete and a really smart kid.' Our entire family sends our thoughts and prayers to you at this extremely painful time.

“ *Tina and Family,*
I'm so sorry for your loss of your son. My thought and prayers are with you and your family. Tina you're a strong woman and in time you'll get through this with the love of your family and friends. I can't even put into words how this comes to a shock and confusion or what you and your family are going through. Just know there's a lot of people you are thinking you and your family in your time and need.

“ *Daniel was a great friend and a good young man at heart. He was the one who stood up for me and didnt let other young men pick on me. After I herd about this tragic accident, I cried for the longest time and still dont like to talk about his death. As I can recall he was one of the star football players and track runners. Daniel was a great student that cared for everyone and had gotten along with the Willowick Middle teachers. My deepest most truely apoligies go out to his brothers, and mostly parents and family. I love Dan and he will always be in my memories. Love, Samuel Fisher*
