Daniel Louis Miller. June 12, 1966 - November 9, 2025

Daniel Louis Miller, 59, of Cleveland, Ohio, passed away unexpectedly on November 9, 2025. Born and raised in Cleveland, Ohio, Dan was known for his warm spirit, strong work ethic, and incredible ability to fix just about anything. His hands were always busy, whether tackling a home project or helping someone in need. Dan was a true craftsman and an unmatched handyman in the home remodeling world.

He was the loving husband of the late Vicki Miller and the devoted son of the late Carol Miller. Dan was a proud and caring father to his son, Anthony "Tony" Miller, who meant the world to him. Dan was one of five siblings, Bob (Kristin), Tom, Jim (Lisa), and Sandy (Scott) and a fun, caring uncle to many nieces and nephews who will always remember his humor, generosity, and easygoing nature.

Dan had a big heart and was always there when someone needed a hand or a kind word. His warm smile and down-to-earth personality made everyone feel welcome and cared for.

“ We are so sorry to hear about the loss of your dad. Dan was such a kind friend to us. His son Tony and my son attended school together he took Matt with them on a family vacation to Virginia Beach around their middle school years. The boys would hang out together and I would pick them up or drop them off at their old Independence Place condo. Dan and I would talk about his time working in machine shops, or talk about the Cleveland Browns. My deepest sympathy goes out to Tony and the rest of his family. May he now Rest In Peace in Gods loving arms.
