“ So sad to hear of Dave's passing. I remember working with him at Jensen. He was such a free spirit , and had a pure soul. And always told to tie his shoes. Dave you left such a positive impression on me that I will carry for life.

“ I remember Dave from the old Jensen days, as well as from Swagelok in Ohio. He was a great family man, and always had a kind word for me. Dave convinced me to take the Cuyahoga Valley Scenic Train ride - to slow down a bit and enjoy the scenery. He was right - my husband and I enjoyed it very much. So sad to hear of his passing. Condolences to you and your family, Brenda.

I remember Dave and his sense of humor. I being in maintenance would see him on occasion. He was always hard at work. So sorry to hear of his passing Brenda and family. I will remember him in my prayers Thursday and when I attend mass this weekend .

Dave and I worked together at Jensen/Swagelok prior to us moving to Ohio. I would however still see him from time to time. Dave was quirky as well as friendly. I still remember laughing together when he told me he was packing pizza for a vacation that he was taking a plane to. RIP Czubaj.
