“ David Courtad and I will miss Dave very much!!! I remember when we first met him and heard his lead for the very first time! It was humorous in a few ways, but then again, he really talked about the seriousness of our program, too!!! And he showed us this by his example, too!!! He helped a LOT of people, and he always had us over every single New Year’s Eve at his home, together with his family and friends! And I will NEVER FORGET the love and kindness that was shown towards us whenever we came there, too!!! And for this past year, we were going to a couple of the weekly meetings that he attended out in Painesville! He will be soooooooo MISSED there, too!!! Well, he is with our Lord right now, and receiving his rewards up in Heaven right now., God bless his kind soul. And we hope to be reunited with Dave some day, too! R.I.P., our dear friend. Our love, ❤️ David and Alvina Cunningham-Courtad.

“ One of th first men I ever danced with in sobriety, hell maybe the only man I ever danced with. You made sober dancing seem fun and effortless. I remember the last time I saw DAVE, I showed up at Punderson AA weekend and was sort of lost and I showed up at your camp site where food drink and fellowship. Was always good to see you. You one of those guys that lived the Responsibility Pledge I am Responsible. When Anyone, Anywhere Reaches Out For Help, I Want The Hand Of A.A. Always To Be There And For That, I Am Responsible ! It seemed with joy and little effort. What an example you are and you will be missed❤️

“ You touched many in your life, your only wish was to have others find the gift of sobriety. Sad to know you will not be doing it here on earth, but your message will live on with those you have helped. That’s the Legacy you left behind.

“ I worked with Dave at NCCC a few years back. He had a smile that could light up a room and people would get so excited when we had to do our in service training and Dave was doing the mental health and substance abuse part. He made what could have been an otherwise very boring day fun as well as educational. He will be sorely missed by so many. My favorite memory of him will always be him grabbing my hand at the company Christmas party one year, whirling me onto the dance floor and the two of us cutting a rug. Of course, my moves were nowhere near as good as his. My prayers go out to his family. It was such an honor to know him.

“ Mr Mandichak was my teacher at Central High School. He was a really intelligent man who could tell a great story. He caught me attention as a young student and pushed my thinking beyond where I was at that time. Now that is a great teacher. My condolences to his family.

“ Mandy, as we students called him, was an enthusiastic and down to earth religion teacher. He provided much extra help to the drama department. He gave me a very sentimental graduation gift that I continue to value today. It was a most generous gesture. Condolences to his family and friends. Mary Demangone Maher, Cary, NC.

“ I remember the Christmas parties at his home. The door was always opened. He helped a lot of people and loved his sobriety. God be with his family at this time and always. He will be missed by all who knew him. I haven't seen him for a long time but when I did see him I always got a special hug. Thanks for being a part of my life David.

How do you say "Thank you" for the years, tears, memories, love, dinners, and conversations. Especially, the support when life hit a road block.
