

David Joseph Messer

February 13, 1957 - December 12, 2017

David Joseph Messer, age 60, of Willoughby, passed away peacefully on December 12, 2017. He was born on February 13, 1957 in Cleveland, Ohio to Howard Messer and the late Rosemary Kozlowski.

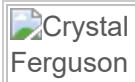

After David's career as a machinist for 29 years, he decided to share his programming knowledge with young minds by becoming a teacher. He proudly taught the tech-prep program for junior and senior high school students through Mentor City Schools on the Lakeland campus. David was a fan of all Cleveland sports teams, but was an avid Cleveland Browns fan. David's happy, kind, and joking personality could light up a room, especially with his warm smile. He was an amazing individual who will be greatly missed by all who knew him.

He was the loving father of Sarah (Eric Suing) Worso; a proud son of Howard (Sylvia) Messer and the late Rosemary Kozlowski; the brother of Sandra (Doug) Sjoquist, the late Janet Jones, Donna (Jeff) Smith, Judith Hanmer, Rodney (Jennifer Sheffield) Messer, and Cathy (Cliff) Barnhouse; and an uncle, cousin and friend to many. He was also survived by his favorite cat Hundi.

Family will receive friends from 12 - 4 PM on Sunday, December 17, 2017 at the Monreal Funeral Home 35400 Curtis Blvd., Eastlake. A funeral service will

immediately follow at 4 PM at the funeral home. The family requests that everyone wear their favorite Cleveland Browns attire to the visitation and service.

“ Growing up at Dave's house was a huge part of my childhood memories. Sarah and I have been friends since 4th grade and Dave was always there for her. He loved her dearly and although as we were growing up and becoming young ladies, he didn't understand some "girl things" he was so funny and always smiling and supportive. I loved hanging out over there with him, Tammy and Sarah...so many great memories. I am sad that I live so far and cannot be there for my friend but she knows and understands that if I could I would. I'm there in spirit Sarah and I'm always rt here a phone call away. May he Rest Easy now with no more pain or discomfort, in God's hands.

“ My heartfelt condolences to Dave's family. I am so saddened by his passing. I will always remember the first time I met Dave when I interviewed him for his Tech Prep position at MHS/Lakeland. His desire to become a teacher was genuine and heartfelt. He worked diligently to be the best teacher possible. It was not an easy transition from the private sector. Dave's tenacity was such an inspiration. He gave so much more to his students than the skills of his trade. He deeply cared and tried to impart "life lessons" to teens who sometimes thought they knew everything about the "real world". Over the years we worked together, Dave always called me "boss". However, I will cherish him as my dear friend. I will miss his "short" stories, his sense of humor and wonderful smile.

We grew up from birth on, a month apart from each other! My sweet, sweet cousin Davy. Such sorrow, so young, such a hard life you had on earth. May you now be safe in the arms of Jesus.
