“ Our deepest sympathies to Dave’s family. Norm is his first cousin. We received the news from Sue Leimgruber and were saddened and shocked. He had so much life ahead of him, and this accident was a tragedy. One of our best recollections of Dave in recent years was when he and Uncle Jack Quigley flew to Calif. for Thanksgiving 1991, and we had a large group 29, I believe at Norm’s sister’s Connie and Carl Pirchner in southern Calif. Dave and Jack flew to San Francisco and spent a night or two at our house, then we caravanned with our son Bill and family and daughter Marcia down for the big celebration. It was a glorious Thanksgiving for all of us Uncle Joe and Marian Q. were still with us then, and we stayed several days with some other fun get-togethers besides. Such fun, and Dave seemed to enjoy himself thoroughly. So glad to have that great memory to ease our grieving. We hope that all of you can remember all your good times as you adjust to this great loss in your family.

“ Dave liked to call himself a "loner" but no one had more friends. We have lost a truly singular character and the world is less without him. Almost 40 years of memories...the Madhatter's canoe race, "Jay Schwartz of New York", Rusty Nails, the motor home in the pond and on and on and on. Thanks Dave but it ended too soon.

“ David was a wonderful man who touched the hearts of many. He was a good friend and a fantastic father. Some of my best childhood memories revolve around hanging out with him and his family. My heart and prayers go out to his family and friends and especially to Paul, Eric, and Pete.
