“ How do you say goodbye to something seeming surreal?
*Broken and unfinished is the only thing I feel.
A daughter, a niece, an aunt, a sister and wife,
A mother of two, all of whom she surrounded her life.
My heart is broken, yet it stays open,
Knowing she's in a better place one day to let me in.
Just waiting for that day to feel her embrace
To once again take in her beautiful smiling face.
She loved each and everyone one of us all the same.
I just wish for one last time I could hear her call my name.*

“ Dawn There is something very special about your first born. You were my little Tom Boy, my Pixie, my Chatter Box, my little Cling on, most of all you were my beautiful Angel Baby girl. You made my life light up like sunshine and suddenly it had meaning. Then one dark day they stole you away. It was the worst pain a mother could ever endure. Then you walked back into my life, but my happiness wasn't to last very long as you were swept away. God must have wanted you more. I hope Heaven is ready for you. My pure complete Love forever, Mother.

“ We loved you dearly as a child, then lost you abruptly against our
will. They closed the books making it impossible for us to find, our
precious little ones who stayed constant in our thoughts and minds.
Through the grace of God and many prayers you came back to us
on your own. You are no longer among us now, but once again, you
will be a constant in our hearts and minds. We love you Dawn
Rochelle, you are a part of us all. We missed you then and we miss
you now, for always and forever.
