“ *When I think of Debbie Ott and her loving family, I remember tireless devotion to her children and husband Larry. Personally I could not give thanks enough to Debbie for her dedication to Upson School as PTA President for so many years. No one could appreciate the time and effort she gave to our school during that time. Despite having a large family and responsibility at home, she always found time for Upson. Our children, parents, teachers and staff are better today because of Debbie's effort at Upson in making the school experience more than just academics. God bless you Debbie and God Bless the Ott family.*
