“ To Suzanne, my sister-in-law, and her family: I am so very sorry about the loss of your beloved mother. From what I observed, she certainly enjoyed life to the fullest. There is no question that her family meant everything to her and, in turn, they were always there for her. No doubt, her legacy will continue on -- she was too vibrant to be forgotten by anyone who ever met her. May your wealth of happy memories bring you peace during this difficult time.
