“ My deepest sympathy goes out to Denis\'s family. I served on the LCVB board with Denis since he joined the board. He was a true leader with character, compassion and commitment. He lead by example. I feel very fortunate to have been able to know Denis, if only for a relatively short time. He was the type of person many of us can only hope to be when we grow up. I will never forget his smile and feel some comfort knowing that he has begun a a new journey in his next life where there is only happiness. Besides, his family couldn\'t ask for a better guardian angel than Denis. My thoughts and prayers are with you all. God Bless. Sincerely,
Maria Zampini

“ Denis was to me more that my boss, he was a friend, I remember the times we shared in Nasville eating BBQ and seeing the sights and when I came to Ohio we would go for wings at roosters. He always had joy and heart in his soul and would put others first. Part of hiim will always be with me, just as I know with all of us.
To a friend and a leader - my love

“ *Sadly missed. Denis Always had a smile. I lost my father at age 14 with a sudden death as this , so I really feel badly for all involved. Denis was a HUGE part of what we have accomplished and will be sorely missed for his GREAT attitude, and willingness to do ANYTHING , and always truly always did more than anyone expected. He was selfless and helpful in EVERY situation. Denis will be impossible for us to replace as he was there in the beginning and no one can ever do what he did and have the history he did as we started from almost nothing. He was a good person and we will sorely miss him.*
