

Dennis J. Morley

February 27, 1958 - January 7, 2024

In Loving Memory of Dennis J. Morley

Dennis James Morley, a beloved father, esteemed mayor, and cherished friend, peacefully passed away surrounded by his family on January 7, 2024, at the age of 65. Born on February 27, 1958, in Cleveland to the late Robert and Evelyn Morley (Ferraro), Dennis was a proud resident of Eastlake for over 40 years, where he dedicated his life to serving his community.

Dennis was the loving father of Renee Morley and Vicki Morley as well as the proud bonus father of Theresa (Donny) Ferritto. He was also Grandpa Dennis to Peyton, Chase, and Reagan "Trixie" Ferritto, who brought immense joy to his life. Dennis's love and unwavering support were evident in his dedication to his family, as he enthusiastically cheered on his grandchildren in all of their extra-curricular activities.

A man of many passions, Dennis found great pleasure in his hobbies. From traveling and relaxing on the beach to enthusiastically following NASCAR and avidly supporting the Cleveland Browns, Dennis lived life to the fullest. He also found joy in movies, the Mecum Auto Shows, gardening (and solar lights) and grilling. Dennis played softball for many years and was the proud coach of his daughter's softball team for years. Dennis's vibrant spirit and zest for life were infectious, and he brought laughter and happiness to everyone he

encountered.

Dennis was proud to be a graduate of Eastlake North High School, class of 1976. His dedication to his alma mater led to his recognition as a Distinguished Alumni, a testament to his exceptional character and achievements.

For the past decade, Dennis diligently served the City of Eastlake with great honor as its esteemed Mayor. His tireless leadership, unwavering commitment, and passion for the community have left an indelible mark on the city he loved so dearly. His legacy will live on through his many accomplishments, however he was most proud of the Miracle League of Lake County. Prior to his mayoral tenure, Dennis played a significant role in the workforce having worked at LTV Steel where he also served as the Union President of Local 1179. He had also worked at Stalloy Metals as the Operations Manager, where he made lasting connections and friendships.

Dennis will be deeply missed by his cherished friend and confidant Judy Moran, and his former wife Barbara Morley (Farina). He was preceded in death by his brothers Camille and Jimmy.

Visitation will take place on Wednesday, January 17, 2024 from 2-8pm at Monreal Srnick Funeral Home, 35400 Curtis Blvd, Eastlake. Uniformed personnel are encouraged to participate in a final salute to Mayor/Safety Director Morley at 7:45pm. Funeral services will be held in honor of Dennis James Morley on Thursday, January 18, 2024 at 10am also at the Funeral Home to celebrate a life well-lived.

Dennis James Morley's legacy of laughter, integrity, and dedicated service will forever be etched in the hearts and minds of those fortunate enough to have known him. In celebration of his vibrant life, may we remember him for his

unwavering determination, his kind heart, sense of humor and his enduring commitment to his family and community. It is hard to put into words the true greatness of our father and all that he meant to us, however we know his impact will surely be felt for years to come. The outpouring of love, support and admiration of our father has made this evident.

In lieu of flowers, donations in his honor can be made to the Miracle League of Lake County c/o Judy Moran, 35150 Lakeshore Blvd., Eastlake, OH 44095.

“ Back in 2017, we had a fire at our offices. Mayor Morley was there the next day to see how he could help us. He offered temporary offices for us until we could rebuild. Not sure if we could have survived as a business without his help. My sincere condolences to the family.

“ Hey everyone! I wanted to let you know how much Dennis meant to me. He was a ray of light for my sister Juda. He was so good and kind to her. They were such a great team. I thought of him as my brother and will miss him dearly. He did such wonderful things for the city of Eastlake. I followed their page more than my own! He really put life back into that city for sure! He touched many many lives in such a positive way. You should be so proud to have been able to call him "dad". Love, shirley vesel

“ *Vickie and Renee I am so sorry about your Dad. I don't know if you remember you and your family lived next door to my family on Hulett. I remember waking your Dad up in the middle of the night when I came home very from a trip and my parents backdoor was open and they were out of town. I was afraid to go in the house and your Dad came over with the dog and went through the whole house to make sure no one was there. He even offered your couch if I didn't want to stay at home. I don't know if you remember but I babysat the 2 of you when you were small. Can't believe he is gone. Will continue to send prayers and hugs. Love Kim Helmick*

Enjoyed eating fried zucchini from my garden and listening to Genesis. Maybe a little Gin back in the early 80's. Roger Daltrey. RIP Friend. So sorry for your loss.
