JP

“ I cannot find the words right now to say how deeply I am saddened that Dennis is no longer with us, but I find comfort in knowing he's home with our Lord and Savior, Jesus Christ! Blessed be!

“ What a sad day, Dennis always watched out for me in our high school years, we were all like family living in the Briardale projects, we never knew we were considered poor, we were rich in family and friends, we laughed constantly when he was around!

“ Dennis, I loved you very much. My biggest regret was not being able to say goodbye to you. You were always very good to my sister. I'll always remember the time you and Diane came over to Rockwood Dr. where I was living at the time to pick out Hillary. You wanted a female lab puppy, and she was the one that was hiding under the couch and wouldn't come out till we moved the couch and you grabbed her. I hope you rest in peace, and I am glad you are feeling no more pain. Now you are reunited with your beloved mother, father, and two brothers never to be parted again. Rest in peace, my beloved brother-in-law. Love always, your sister-in-law, Joanne
