

Dessie Harmon Stoner

May 27, 1908 - October 18, 2008

Dessie worked as head cook at Poland Seminary High School 1959-1968. Dessie was a kind and caring wife, mother, sister, grandmother and a friend to all. She loved her family and always had time to play or just sit and listen if you needed her. She was a wonderful cook and loved to bake. Whenever you stopped by, she always had something good to eat. Dessie was able to live in her home until age 97. She will be missed by many.
