“ Dianne was one of my first friends when we moved to Willowick. She was more than a friend she was family. I miss her so much and keep looking for her at the bus stop.and want so badly to hear her yell "Hey Lady". So many catch phrases and inside jokes so many memories of dates and people, how she kept track.of them all I'll never know. She was a great caring friend. We're all going to miss her a bunch.
