“ *The gates of Heaven are always open for us, but you are a very special one to go through them. Because of your loving ways with everyone. Will always remember the Thanksgiving dinner with your family. And I was so proud when you asked Ralph for me to make stuffed cabbage rolls for dinner at your home. The opportunity for the times to help her with your hair. I will have these fond memories and others to cherish. Always in my heart, with God and you watching over the family. Annette*
