“ *Tori Rae, I'm so sorry to hear of the loss of your beloved Grandmother. I remember countless sweet conversations that you had with her, between appointments during your intensely busy work day. Always making time to call her, to check in with her, to see how she was, to let her know you were okay so she didn't have to worry about you...She made all of us smile and giggle and you just wanted to hug her with all of her cuteness. She will be your second Angel in Heaven now watching over you and always loving you a bushel and a peck...sending you love and sharing in your sadness.*
