“ *While I (Ruth) certainly recall fun and great times with Uncle Don , Aunt Doris, (and all the Reik cousins) as a kid, the memories of more recent years are sweeter. Kent and I were able to sit and talk with him about tough times and troubles and our faith in Christ . Uncle Don's sure and confident trust in Jesus to see him through everything could not help but encourage our hearts as well. We thank God for Uncle Don's love, support, and faith-and we are so looking forward to that final fantastic family reunion with him in Heaven!*

“ *Don and Doris were a delightful twosome and am so glad we had the opportunity to get to know them a little when they visited Texas. He was full of fun and laughter and holds a special place in the hearts of Noah and Nathan. Loved those boys without limits. Our sincere sympathy to the family as they give up his physical presence but rejoice with him as he enters the Church Triumphant. Phyllis Dahlke*

“ I have known Doris and Don since Doris and I were roommates in nursing school. I was proud to have been in their wedding and look back on pictures from that day. Thankfully, Warren and I had the pleasure of a lunch date with them when they were in Florida in May. You will be missed, Don. Rest In Peace.

“ Uncle Don always had a welcoming smile, warm laugh, and always made you feel at home. I loved visits with the Reiks growing up as we could always be ourselves - no matter how mischievous we would get. He would never get upset, and always made sure everyone knew they were special. Thanks Uncle Don for being such a great example - you will always be a fond memory to me personally! Rest in peace until we meet again.
