“ I am so saddened by Donnie's passing. I just sent him birthday wishes via Facebook & had his response saying the cancer had invaded his spine, he was so positive. I had no idea his end was so near & I have held good thoughts & remembered him in my prayers..not my will lord 'but thy will' Garth & I will be forever indebted for his generosity during our two more recent visits to Ohio. It will not be the same should we make a return visit in the future.

Our love to those of you & know we also share your loss.

Love, Charlene
