“ *So many memories where do I start. Visiting Fred and Donita when I Was a child and playing with Sheena their dog. Them visiting us on the farm during the summer and it being so hot that Donita said it was 15 degrees hotter than hell (no AC). Her flying to Nebraska to prepare the food for my stepdaughter's wedding. My mom, Vonda and her working on puzzles or quilts. Her rooting on the Indians, playing cards, and saying bolderdash. Donita was one of a kind.*
