“ I'm the daughter of Donna Burnette... I will always remember happy memories and how much she has taught me when growing up. She's the best thing, that ever happen to me and I am very grateful to have her as a mom also best friend. We have become very close bond with each other and I could never ever let her go. But knowing, she was a great person not only to me, but to others as well. She taught me how to smile every day just like she did. I will miss those smile, laughter, sad, cry together. Those are the things , I will never forget. I know she's in a better place now and watching over me. You are always in my heart and that no one can ever take it away. I love you and truly miss you very much.

Love Always,
Christianne
