“ My deepest sympathy to Donna's family. Donna was a first a contractor to me but we then became friends and kept in contact by email. We shared jokes and political views and enjoyed that. I want to thank you Lou for thinking to have Jackie notify me. Both of had something in common, we ban in Piney Fork and attended grade school there. I enjoyed toaking with her about Dillonville and Piney. May God open the doors to Heaven for her. I will surely miss her.

“ I did not get to see my Aunt Donna very often. But when I did, from what I remember she and her sisters Joann, Pauline and Carolyn for the most part always got along I remember them laughing and having a good time for the most part. Except for that one wedding we went to. I think her favorite color was purple and I remember she always seemed to have a Cadillac. Now that I'm older and have one, I can see why. I know she will be missed. May God be with all of her family to ease the pain of your loss.

“ I will miss Aunt Donna very much. She and Uncle Louis stepped up and helped me during an extremely difficult time in my life. and after they worked all day at their business, they came to help me find a place to live, sort through a lifetime of paperwork and help me move to a new location. God be with both of them now, bless and comfort the entire Domanovics and Klapka families.

“ Donna loved Christmas all year round, she liked the flavour of cinnamon and all the colours of the decoration. She was classy, with a good sense of humour and truly loved Uncle Louis. I met her during my visit in 2005 and we went all together to the Niagara Falls, Berlin in Ohio and the Ford Museum and spent a wonderful time.

“ I really got to know Ms. Donna and love her like family. We could talk for hours (although we got business finished first) about our families, politics, and everything else that was going on. I will miss those conversations. I would like to leave you with this verse from Proverbs 3:5&6.

"Trust in the Lord with all your heart and lean not to your own understanding. Seek his will in all you do, and he will show you which path to take."

My deepest sympathy and love

“ *The most beautiful memory I remember was the time of my fathers funeral...and Donna & Lou offered us some money to help out with our expenses at that time. I live in Conneaut, Ohio and it took what little money we had to come back to Painesville & all. I have never forgotten them for that and will always keep Donna in my heart.*
