*My condolences to Renee's family as they mourn her loss, she was taken too soon. May God provide peace during this time of overwhelming sadness.
After 17yrs. Of friendship, previous co-workers (I drove you crazy), & neighbors (you drove me crazy). We supported & looked out for each other. You will be missed terribly but will continue to live in the hearts of all that knew you.*

“*My dearest Renee, you were not just my cousin, you were my sister, my confidant and my best friend. You loved life, your fur babies and most of all you loved your boys. Remember "just smile and wave" and "we're freakin' adorable". I don't know how I'm gonna go on without you but I know you would want me to. You were always there for me. You made me laugh when I felt like crying. I miss you so so much. I'll always love you! Love, Brenda.*

My dearest Renee you were my niece you were like a daughter to me and also a sister to my boys. We all love you very much and we'll miss you. You were a very big part of our life we had lots of good times together. Life will not be the same without you Renee. But you will be resting in the arms of God.
