“ Donna was one of the first people I met when I started at Hillcrest back in 1988; we remained friends even after I moved away. She was a wonderful friend and will be missed by all of us who had the pleasure of knowing her. Bless you all.

“ It was a terrible shock to hear of Donna's death. She was so full of life, compassion, and love. She was quick to offer help when my parents died. I will miss her.

“ Donna always remembered birthdays and if you were ill for any length of time you always got a card once a week to say get well or tell you a funny story. She always brightened your day!

“ I worked on the OB unit @ Hillcrest for 15 yrs. Donna was the "search engine" for the unit....if you needed info. for most anything, Donna was the gal to ask. When one of our nurses was dx with terminal cancer, Donna became such a supporter to her & her family, continuing long after her death. When my family returned to Col. in '01, my husband died unexpectedly 11 mos. later. Donna has sent me so many inspirational notes, letters, etc. I was touched by her thoughtfulness & compassion. She will be irreplaceable....losing a loved one is NEVER easy but when it comes with no warning & so early in their life, it is especially hard to accept.

“ Donna was the heart of our department. She did so many loving things for co-workers, myself included and my daughter. She remembered all birthdays, anniversaries, special events and was there when you needed her the most. She was quiet about all the good she did and never wanted recognized for her gifts or talents. She was an amazing woman that gave so much of herself. Her presence will be missed by us all. She is irreplaceable and will never be forgotten. Forever in my heart DONNA! I love you and will miss you!

“ Donna was the live line to the Family Maternity Center @ Hillcrest. She was like our Mother of the Dept. She has done so much for the Dept. and for ME. I will miss her so much. She will not and can not ever be replaced. She has touch so many lives including my children. She even remembered them long after employees were gone she still sent them a B-Day card. She was the very first one I recieved every year and I will miss this years so much.
God Bless you Donna!

“ Donna Jo was a solid centerpiece in our extended Ramer family. She has been called away much too early in her life. All of my family are saddened by her loss.
