“ My beautiful Grandma was such a sweet, kind and lovely woman. I will miss her cute giggle and smile, her soft voice and polite charm. She put others before herself and never complained or shared any worries or troubles she may have had. That is why I know she is now a happy, loving Angel who will remind me to always look on the bright-side. The silky soft touch of her hand and gentle manner will always be close in my heart. I love you my tiny, little sweetheart of a Grandma yesterday, today and forever. XOXO love, Tiffany

“ What can I say ! She has always been MOM from the day I was engaged to her beloved son , Gary, and my dearest and devoted husband. It was never Mrs. Frank or Dorothy , always mom. I have so many beautiful and cherished memories to sustain me from my deepest grief and to carry me through the dark days ahead.

Our family get togethers were full of laughter, fun, joy, and most of all love. As we continue life without her, mom's spirit will stay alive, though our stories we'll tell over and over again. How her grandchildren, especially the girls (our beautiful drama queens), will act out the stories and situations we all remember, and we'll laugh so hard with tears falling from our eyes.

My thoughts, prayers, and love goes out to Bernie, Paula, and Tim, "my Sister and Brothers", to my beautiful and awesome nieces and nephews, Keith, Alyssa, Amanda, and Brandon, and to my beautiful and loving children, Justin, Tiffany, and Brad. Whom, through the love of Dorothy and John (mom and dad) ,everything our family shares and the memories, are all possible today!

Mom, I'll miss you so much, but in my deep faith and beliefs, I know you are safe and warm in the loving arms of dad, Gary, and our Lord, Jesus Christ. You are now one of the beautiful angels, that will be with our FAMILY for all time.

Soooo much love to you forever and ever! Your loving daughter-in-law "daughter"
Always, Maureen
