

Dorothy Kalcher

August 11, 1931 - May 8, 2026

Dorothy H. Kalcher passed away peacefully on May 8, 2026. She was born on August 11, 1931, to the late Patrick and Mary Robey.

Dorothy was a woman of steady dedication and quiet strength. She proudly retired from Macco Adhesives, but her true life's work was the home and family she built alongside her beloved husband, the late Frank L. Kalcher. Together, they shared 74 wonderful years of marriage, a rare and beautiful testament to their love and commitment.

To Dorothy, family was not just a part of life; it was the most important thing. She took immense pride in watching her family grow across five generations, serving as the matriarch and the steady center of their world. Her warmth and devotion will be deeply missed by all who knew her.

Dorothy is survived by her loving children, Frank Kalcher (Marie) and Lori Deak (Michael). She was the cherished grandmother of Kristopher, Ryan (Serah), Michael (Laura), Donald (Nicole), and Melissa. She was the proud great-grandmother to Jaxton, Arabella, Renee, Jonathan, Ethan, Mason, Dominic (Briana), Lewie, and Danica, and a doting great-great-grandmother to Dash, Connor, Watson and Bodie.

She was preceded in death by her husband, Frank, and her seven brothers and sisters.

In accordance with Dorothy's wishes, services will be private and held in the near future.

“Gram “Dorothy” was one of the most beautiful souls we have ever known, and we feel incredibly blessed to have loved her and been loved by her. She had the kindest heart and a way of making everyone around her feel cared for, welcomed, and important. No matter what, she was always there for the people she loved, giving endlessly of herself and asking for nothing in return.

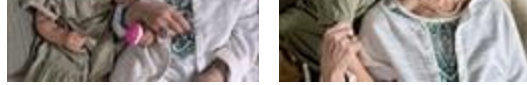

Her family was truly the center of her world. The love she had for her grandchildren and great-grandchildren was something so special to witness. Her eyes would light up whenever she spoke about them or spent time with them, and the memories she created with them will be cherished forever. The bond she shared with each of them was filled with unconditional love, warmth, laughter, and comfort.

Gram was the kind of woman people hoped to become — strong yet gentle, graceful, selfless, loving, and full of compassion. She touched so many lives simply by being herself. We are beyond grateful for every moment, every conversation, every laugh, and every memory we were fortunate enough to share with her. Having her as part of our lives was truly a gift, and we could not have asked for a better role model for our daughter and grandchildren.

Though our hearts are broken, we take comfort in knowing how deeply she was loved and how much of her goodness will continue to live on through her family. She leaves behind a legacy of love that will never fade.

You will be forever missed, deeply loved, and never forgotten, Gram
