“ Beautiful, sweet, Dottie...I vividly remember the first time I met you. You and my Cousin Bobby had just gotten married and were making the rounds to visit all the relatives. Though I was just 14 at the time, I knew you were very special the moment I met you. You were beautiful, had a great smile and a laugh to match it. Over the many years, and many family get togethers, my initial intuition proved to be true. You always had a kind word and were fun to be with. You will be missed, but we take comfort in the knowledge that you are now at peace. Our deepest sympathy to Michael, your siblings and your extended family at this time. "May your memory be Eternal."
