“ I just came across this today. When I was a kid Mrs. Miller treated me like her own son. She put so much trust in me that she signed for my first CC and first car. She was the greatest mom I ever met. Her relationship with her daughter was made in heaven. I've never seen a mom and daughter so close . They were best friends. I often think of her and it often makes me laugh. She took me for my first drive in a Dodge dart with a huge steering wheel and a crystal that keep banging on the windshield...lol

“ We wish we could be with you today,our thoughts and prayers are with you and your families. Aunt Dorothy memory brings a smile and laughter.
Remembering the little tricks she played on us as children.
My mom: Grace,Aunt Ruby,Aunt Dors Jean and her huddled around the kitchen table in one of their gab sessions.
My Father would of liked to come, but he can\`t stand the cold any more. I know it's hard right now,but the sorrow will pass and leave in its place happy memories.
