“ *It was always exciting when my friend Linda's mother Dorothy came to California. It's been many years since her last visit. As a friend and neighbor I was looking forward to seeing Dorothy when she was in town . I felt like I had known her forever and she treated me that way too! She will be missed.*

“ Dear Linda, Donna and Joyce,

Please except my heartfelt condolence on the loss of your beloved mother, Dorothy.

I met your mom over thirty years ago when she was visiting my dear friend Donna at a family celebration. Over the years I would look forward to seeing her at other gatherings. Her warm hugs, genuine smile and kind words would always brighten the day of those around her.

May your hearts be filled as you remember all the wonderful times you have shared with your mother and each other.

*With sympathy,
Betsy Jennings*
