“ To the Schellentrager Family,
We offer our deepest sympathy for your loss. Karen and I only briefly met Mrs. Schellentrager, but have become friends with her daughter, Lori, and the Zambie Family. It's obvious that Mrs. Schellentrager was a giving, caring, wonderful person as these qualities are so evident in her children, grandchildren, and great grandchildren. It's a blessing to have them as friends. We will keep you all in our prayers.

“ Mom,

You were definitely the queen of all mothers...so loving, encouraging, and generous to your children, grandchildren and great grandchildren. You set the bar high as an example for all of us to follow. I am so thankful for your life teaching and wisdom that has helped me on life's journey. May your heart be happy and carefree in the presence of Jesus now! Miss you so much.

“ To the Schellentrager Family. Our prayers, Love and condolences are with all of you on Dorothy's passing. May she be free of pain and resting peacefully with Our Lord. I think back to the many joyous times that I spent with my 2nd Family back in Eastlake on East 344th street. The many times that you welcomed me in to your home, growing up as kids with Mike, Lori & Lynn. Going out to Roaming Rock Shore's to boat, ski, and get in trouble. Just think I might not be here today if Mrs. Schellentrager had not pulled me out of the basement being built for the Mastrionni's home at the time. A little 5 year kid getting stuck somewhere he didn't belong. Then getting rescued by Dorothy. I know that you all miss her deeply, her spirit lives on with the Lord. Thankyou for making me a part of your Family as I grew up. All of our Love and thoughts are with you.

“ My Precious Friend of over 40 years, you have always been a soul sister ever since we first met at General Electric in 1972. I sincerely have cherished my friendship with you and nice memories of same will always be in my heart. You and Dave have been the nicest, most loving close couple I have ever known. I thank God Dave gave me your number while you were in rehab so I could call you a few days ago and say "I love you my friend" as we always did one more time. God needed you in Heaven with Him where there is no pain and you are one of His special Angels now. We will see you again one day dear friend. I love you and all your family. Thank you for being one of my very best friends ever~~Rest In Peace~~

Sincerely,

Sonja

“ Mom #2, I have such fond memories of my childhood growing up around you. You were the sweetest and most gentle lady I have ever met. Glad you did have the time you did with your family for so many years. You did a great job and it shows in your children. Such a strong lady for what you have been through in your life. May God Bless you and take care of you now. May you be blessed with peace and happiness in heaven, I know God needed another angel. Love you and your family so much. Donna
