“ Gosh my brain is exploding with memories. As a little girl I made u carry me everywhere. I loved that u spent weekends with me. As I got older & had my own kids u were there for us all for everything. The bond u had with Zander warms my heart. Watching u 2 play & spend time together was such a joy. Ur an amazing person. I don't know how my world will look with u in heaven but I know ur with me forever. I love u so much dad
