“ *To the Family & Friends of Dr. Stearns,*

We are so sorry for your loss. He was a wonderful man and Doctor. He cared for the pets of my family and friends for years. He was compassionate and loved the animals. He always had a story and jokes to share. He loved to tell us he was a proud graduate of The Ohio State University, and he gave my daughter a picture of him ringing the bell at the stadium, which she hung in her room all four years she attended. He is with his wife again now and I am sure he is happy. We will miss him too.

*God Bless you all,
The Fulajtar Family*

“ *Such a great humanitarian, a wise friend, teacher, and never afraid
to give the "underdog" a chance in life. He will be so missed by all
the people and animals whose lives he touched, enriched and
healed. Angel, Mikey, Samson, Noah, and CeCe say "Boof Woof,
Doc, we miss you ever so much but know all our fufriends at the
Rainbow Bridge are surrounding you and Nancy with the love you
so richly deserve." Our prayers and sympathy go out to his family
and God Bless.

“ *With our deepest sympathy.
We will miss Doc greatly...always special to us, a good friend
besides longtime employer, and we will keep in our memories the
great times...his stories, his humor, the thrill he got from a win, or
from a good run for that matter...his love for Harmony Hill & his
horses..his wit in naming them...God blessed us with Doc for a good
long time...and now he's again with "Nancy Always". We love you,
Doc! Peace be with you.
