“ Nancy, Teri and David I was saddened to hear the news but grateful that someone called to tell me about Earl's passing. At times like this, I am sorry that because I am in Florida, I am not able to share these sad moments with you in person.

Earl was a great friend and a wonderful compatriot in the Insurance Industry. He was very supportive of anything we tried to do to make our industry a great place to work. We shared so much with life underwriters locally and on the state level. He was a great supporter of LUTC. So much more could be said.

Just know that my prayers are with you at this time. I will think often of this great man.

The peace of Christ be with you all.
