“ So sorry for your loss to the family members. I met Earl through my friend Alice which was his so called sister in law. Cause she with Earl brother James Lee. Many times I went to visit him at home. He was one person that made you feel welcome. And always had a smile on his face. I also have visited him at the nursing home. He was a very friendly and kind person. I will cherish the times I got to visit with him. RIP Earl. May be flying high in Heaven.
