“ To the family of Eddy;
Although I did not know this
young man my thoughts and well wishes go to the family.
I am a cousin of Don, Ed, Bill.
How sad, such a young life.
After some research I found
out about this sight and felt
it was important to let all
of you know how sorry I am for your loss.

“ I would like to thank all the wonderful people who made it to the funeral. My brother was one of a kind. His death was such a shock to all. No one should die young and my mother should of never had to lay her youngest son to rest. Well only the good die young they say. Eddy was fun, happy, and loved all even if you didn't like him! He will always be in my heart. Thank you Janelle

Eddie has always been one of the most memorable students that I ever had the opportunity to teach. I was lucky to have him touch my life. I will never forget him and a smile will always be on my face when I think of Big Ed.

“ I\'m sorry to hear about Eddie. Any death is sad but when the loved one is young, it seems especially tragic. At John 5:28,29, Jesus spoke about the time when "all those in the memorial tombs will hear his voice and come out." Yes, the Bible shows that there will be a resurrection of the dead.
