“ To all those that are here and those that are gone. Eddie and I were cousins. In our childhood our families were together frequently. After the teen years all of us had different paths to walk. Didn't see much of any of my cousins except Melody and her daughter. About 13 years ago Eddie and I went to a comedy club, laughed alot. We talked a little. I found out this summer that he was quite sick with COPD and in a nursing home. In July this year a spiritual feeling of communication came to me, almost an urgency to reach out to Eddie. I called him and we just connected and talked about our families and children and many other things. I could tell he was short of breath. So we ended the conversation. A few days later we spoke again. There were two more conversations. I sent him photos of our families. Trish had taken it to him and he was happy to see all the memories. About 5 days passed and I began to wonder how he was. His cell phone was not taking calls. I spoke with Nicole. Then I called Euclid Gen Hos and spoke to his nurse in the

hospice unit. The nurse told me he was a little aggitated at this time. He was due to get medication in 10 minutes. I requested her to give him a message from me. She said she would. I told her to tell him a white light was surrounding him and that was a good sign. I love you Eddie and you are going to be leaving us soon. You will have peace and kindness like you have never known. I'm glad we were family. The nurse repeated it back to me. I have worked with hospice nurses and I know they keep their folks comfortable and they do give them messages. Peace be with you. Pamie

“ *I'm in Cleveland today Saturday and saw the obituary in the newspaper. We've been trying to locate Billy, Don and Ed since we heard the news about Don's son but with no luck. Even had Terry trying to locate the family. I am very saddened by the news and regret that I will not be in town tomorrow for the service. I have contacted Mom and Cheri and gave them the sad news. I don't have either of your phone numbers but I will leave mine and Cheri's here. My number is 818-688-1239 and Cheri's is 918-491-9535. Mom now lives with Cheri in Tulsa and I'm living in California. Again, I am so sorry to read this news but please know our prayers and thoughts are with you. And please call. It's been too long and too many miles between us and our families.*

With Deepest Sympathy,

Brian Roland

“ *My mom, Eddies' Aunt Jo Roland, and I remember Eddies' tenderness toward us during our times of deepest sorrow as well as his charm. He was one of mom's "favorite boys," and we've been troubled that we lost contact information to connect this many years. Please know that Eddies's passing weighs heavy on our hearts, and we hope you will contact us to reunite our connection with our precious Roland family. We trust that the Lord's presence with comfort you and know that you are loved this day in Tulsa, Oklahoma.*
