“ I am sorry I couldn't be there for your service. You and Auntie Eleanor will finally be reunited. I will always remember how you and Auntie Eleanor were there for me when my Dad your brother was in the hospital. You brought me a lot of comfort. You reminded me so much, the way you looked, of my Dad. I remember when my Dad was in the hospital when he was in traction for his back. They wouldn't let me go upstairs to see him, so I had to sit in the waiting room. As I was sitting there, very scared, you walked in the door. At first glance, I was amazed, I thought you were my Dad. Just seeing you that day made me feel that everything was going to be okay. I also loved hearing your voice - it was very gentle to me and if I concentrate real hard I can still hear you. You are a wonderful Uncle that I was blessed to have in my life. Please rest in peace and when the time comes, I hope I can have a polka dance with you. I will love you always!!!!
