“ Although we had only a short time together, Skip and I were married for 6 wonderful years. We had such a great time dancing, laughing, and having a lot of fun. We polka danced our legs off! I will forever cherish the memories and pictures I have of us together; I will always be his loving 'Frenchie'. I'm going to miss Skip so very much, but will patiently wait to see him again in the very near future: in God's promised Paradise, right here on earth.

“ Fondly remembering my Great Uncle Skip and his family today. Highlights include the time he took me, as an 8-year-old kid, to see the movie, Grizzly Adams. <http://www.youtube.com/watch?v....> Also remembering Aunt Bea taking me along to Alesci's Italian grocery store and then cooking up the best spaghetti and meatballs I've ever had, Dee Dee being kind enough to let me hang out with her and her friends for a sleepover - I think we passed around a bottle of Tab - and the impressive and slightly scary bearskin rug in Eddie's attic bedroom. Thanks for the sweet memories! -- With love and gratitude for your kindness from Mary in California

“ My thoughts and prayers are with all of you. I pray you find comfort during this difficult time. I will cherish our Minnesota memories that we had with Uncle Skip. I will always share the story of Uncle Skip bringing me to Sea World and everyone thinking I was crazy and not believing me that there was a Sea World in Ohio!! He was very good to all of us and will be missed very much! I send lots of hugs and love!! Angela Boyle Hansen
