“ Ike always treated me as if I was her little sister. My favorite memory was a trip to Ohio University, Little Sister's Weekend. Carmie and I were freshmen in highschool at the time and so thrilled to be away from home and hang with Ike and her college friends. Best weekend ever. Thanks Ike. Love you always.

“ I have so many wonderful memories of coming to visit Aunt Helen & Uncle Red and Eileen, Kathy and everyone. We used to have so much fun, I'd hate to leave. The hardest part about moving so far away, is that you don't get to spend more time with family. Especially the family that you didn't see on a regular basis. I have such great memories of Eileen. Mommy Mary, my mom (Dot) & I used to talk about our trips all the time & just laugh because we had so much fun. I love you Eileen & I know that you're listening. Our thoughts and prayers are with the whole family & we'll see you when we see you Cuz. Love Always, James, Colleen & Connor Sheridan 🍀
