“ My sister, my confidant, my best friend, my angel in heaven... I will love and miss you everyday, for the rest of my life... I will miss our, " Omg... You'll never believe what mom just said, moments" but when I need to talk to you, I will simply say your name and what I need to say.. And If I do anything, that you didn't agree with in the past, and suddenly get a screaming headache, I'll know for sure your keeping me in line with a slap upside my head....our childhood memories I will cherish forever, our adulthood memories I will keep close to my heart.... Your pain and suffering is over, you fought hard, you loved everyone whole heartedly, Dan, Des, Heather, Sarah, and all.... She will be with you guide, you , and protect you...as well as all the ppl she touched with her kind caring heart. The good Lord has wrapped his loving arms around her... With much love, Margie, Pat, and our family

“ Elaine “Candy” was such a special person. I would sit outside of her desk and listen to her talk to patients on the phone. She was always caring and kind to the patients. Even if they were starting to “get to her” she would keep her cool.. It would really crack me up if she was talking to a man and he was beginning to aggravate her I would hear he say,“ Dude, we can’t do that!” or something similar. When she was speaking with more mature patients she always referred to them as “Mam” or “Sir”, without fail. It is very somber here at work, her desk is empty and so are our hearts. Elaine was a very special person. She loved her life,her family, friends and animals. Always offering her home to a stray or any other unwanted or neglected pet. I hope that there are lots of animals where she is now, that she can care for. My heart aches for her 3 beautiful little girls. I know they have some wonderful memories of their very special Mommy! Rest in peace, Elaine. Your fight is over now, and you were a courageous fighter. I will miss you every day. Your family is in my prayers. Julie
