“ *Elaine Vadnal was always the most beautiful, kindhearted, caring, giving, most genuine and generous ladies that I have even known who would always extend to hand to anyone and always had a beautiful smile for everyone.*

Her husband and her family always came first and always meant the world and all to her which is truly why she was so greatly loved by all of them as well as anyone else who knew her.

Elaine will definitely be both deeply and dearly missed by anyone and everyone who ever had the pleasure of being in her company or knew her and I'm positive that she is now with God and will be resting in peace. Her passing is truly a great loss to all of us and I just want to extend my heart, my hand, my prayers and my sympathy to every member of her family. May God Bless and be with every one of you.
