“ Hi Steve,
I was so sad to hear of your Mother's passing. She was a wonderful person. My mom and Bette were friends for many years. May the light of God shine perpetually upon her. My prayers are with you and your family.

“ Aunt Bettie was always a special part of my life. I will always appreciate the support that she gave to me during my sister, Grace's, illness. She was a very special lady and dear to our hearts. Now she is in Heaven with my mom and the rest of the family.

I am so grateful that we had a special time with our mini Burford reunion last August. Precious memories.

love and prayers,

“ We are all so very sorry at the loss of Aunt Betty. We didn't get to see her very often, but communicated back and forth frequently. She was a wonderful lady, and will be sorely missed. If we can be of any help during this difficult time, please let us know.

“ Aunt Bettie, we'll miss sharing cards and photos with you. The special "\$1" was always a treat in the kid's birthday cards. You were my Granny's last living sibling and we loved you dearly. I hope you are now with Granny having some long overdue conversations. We love you. -- Lauri, Dino, Olivia & Alison

“ Aunt Bettie will be missed greatly. She was the last of the brother and sister's and kept us in touch with our family history. Her passing is the end of an era in our family. She was much loved.
I will miss our phone conversations.
