“ My family and I would like to offer our condolences to you for your lost. During times like these much comfort is needed and can be found in God's Word the Bible. Please find comfort in Acts 24:15 because it encourages us to have hope towards God that there will be a resurrection. So you can draw strength in knowing that your loved one will be resurrected back to life. Revelations 21:3,4 also helps us to look forward to a time when death and pain will be done away with forever. As you wait to be united with your loved one know that you are in our prayers. If you would like to discuss these Bible promises further you can contact me via e-mail.
