“ Well Grandpa, It's been 4 years and I still think about you like crazy. There isn't a day that goes by that I don't think about you. Things still seem so different without you being here with us. I wish you could be here with us to see all of your Grand Children growing up. I love you, keep me safe and watch over our family.

“ My condolences to your family. I have known Mike for a very long time. He was my Uncle Jerry's brother. He will be missed. But, please know he is now with those whom loved him too. He will always be known as " Uncle Mike " to me also. My prayers are with each of you. God Bless !!
