“ Dear Jennifer, Graham and families, We are so sorry to hear of Elspeth's passing. Rachael and I will always remember our days at Red Raider and the many kindnesses and riding lessons your gifted mother gave to us. She was always there for us and "Henry" and we will always remember her and all of you. Her love for the horses and "Mel" and all her students will always be remembered. We wish you peace and loving memories. Elspeth's famous chili at the Red Raider Dressage shows was always a delicious and welcome treat on those very cold days. May she ride with the angels....With sincere condolences.....Diane Allen and Rachael Allen Horvath.

“ Jennifer, Johnathon, Graham, and family, I had the pleasure of spending time with your mother and grandmother when I visited Ohio. She was an amazing person. I remember sitting with her watching Graham jump with Al Capony and she was so proud and told me he had to learn to be one with the horse. Her ability to train people to focus was amazing. My heart goes out to all of you. I hope you can find peace in knowing she is in a better place without pain. Love and prayers Aunt Sis

“ Jennifer, Jonathon and families, We were so sad to learn of your mother's passing. Your mother was a friend of mine for years. I was so pleased to reconnect upon our return to Ohio. She was then confined to a wheel chair from RA, and living in a nursing home. In spite of it all, her beautiful blue eyes still twinkled. She was always plotting and planning! She plotted with us, getting a fridge for a friend into the facility.... We'pulled it off!' The board she had Dennis cut so she could make her own headboard at her apartment when she left the nursing facility. She could work circles around me.....the bird house she built for my brother to replicate his home in Florida that she had gone to visitI could go on and on. She will dearly be missed by myself, my husband Dennis, and many others...but those baby blues will be twinkling down on us all as she swiftly rides across the heavens looking down upon us. Love you always, Dorthea Samartini Quinn and Dennis Quinn

“ Dear Kick family, Please know I'm so sorry for your loss because death is our greatest enemy and always brings much grief and pain. You don't know me but I wanted to share what helped me when I lost my whole family to this enemy. I found comfort and hope in what Jehovah Gods word the Bible says at John 11:11 and Mark 5:39 that says they're just asleep and Jesus tells us at John 5:28,29 that we'll see our love ones again and this helps me get through each day because I miss them so much. I truly hope these scriptures have helped in some way for this is my purpose in sharing this with you. Please know I do share your grief. Sincerely, Gloria Mosley
