

Enzo Daniel Harrison

February 2, 2026 - February 2, 2026

"The Lord is close to the brokenhearted and saves those who are crushed in spirit." - Psalm 34:18 Enzo Daniel Harrison, beloved son of Quinton and Kaitlyn Harrison and precious baby brother to Luca and Dominic, was born sleeping on February 2, 2026. From the very beginning, Enzo was known, deeply loved, and cherished. God formed him with intention, carried him gently, and called him by name. Enzo is lovingly remembered by his grandparents, David and Tina Heflin, and John and Jennifer Abercrombie. He was preceded in death by his great-grandmother, Penny Kay Harrison, who we trust welcomed him into heaven with love. Enzo only ever knew the love of his family and the perfect love of Jesus. We find comfort in knowing he is now at peace, held safely in the arms of our Savior, and forever our precious baby boy.
