“ I've known Evey since I was 7 and she was 5. We grew up together, she was more like a sister to me than a friend. We went to college together and even majored in the same subject, Criminal Justice. We lived together for a year at Woodgate Apartments in Ravenna, those were our best years together. We had never been closer than we were that year. She was my Maid of Honor at my wedding, and I feel so blessed to have known her. I just wish I could have spent more time with her here on earth. I will miss her so much. My heart goes out to her family, may God bless you with comfort and peace.

*Dear Cousin Evelyn,
There isn't a day that I don't miss you or think about you. It's been a long time since you passed. But it doesn't seem that long. It feels like it was just yesterday we were kids and my sister Margie and I would hang out in your room and listen to New Kids on the Block . I remember the times we played volleyball together. Me, you, Margie, Joe and a friend of yours. As the years pass the longing for you and missing you never does. I try to honor your memory by living my life to the fullest and pushing myself past my boundaries. Living this way, as opened me up to a world of meeting people and experiencing my life as if every day would be my last day. I try to live it to the fullest. I sometimes think. What would Evelyn do if she were here? What would she say if I called her and asked her for advice? I know that she would want me to be happy. But there isn't a day that goes by that I don't think about you. I love you so much. 💖 RIP cousin.*
